

**IMPORTANT NOTICE FROM THE PARISH COUNCIL REGARDING THE SAVE
THE HORTON HOSPITAL CAMPAIGN AND THE FUTURE OF HEALTH AND CARE
SERVICES IN OXFORDSHIRE.**

The Parish Council has received a letter from Victoria Prentis asking us to publicise part of the campaign to save the Horton Hospital in the light of the forthcoming consultation.

Victoria is encouraging her constituents to fill out a survey about journey times to the John Radcliffe Hospital in Oxford. This information will be collated by her office and passed onto the Oxford University Hospitals Trust and Oxfordshire Clinical Commissioning Group. Information on journey times, including parking, is vital to establishing the true effect of any changes to the Horton. Many of you will know that Victoria will be in The George and Dragon on Friday 3 February from 6.30 if you wish to talk to her about the campaign.

More information about this and the form to complete is available on Victoria's website using the following link:

You may also be interested in reading the documents and participating in Phase 1 of the consultation regarding Health and Care Services in Oxfordshire. All the information can be accessed by using the link below. It's all rather daunting but obviously important especially as we live in the north of the county some way from the city of Oxford.
