Dear Mr Broughton

I am directed by the Secretary of State for Communities and Local Government to refer to your letter of 6 October 2011, with enclosures.

Oxfordshire County Council had made an Order prohibiting the resumption of the winning and working of minerals on land in the vicinity of Shenington. The Statement of Reasons provided in support of the above Order states that it was made in accordance with Regulation 26B of the Town and Country Planning (Environmental Impact Assessment) (England and Wales) Regulation 1999.

Having carefully considered all the information submitted, the Secretary of State is satisfied that it would be appropriate for him to confirm the Order.

A copy of the Order and map duly endorsed with the Secretary of State's confirmation is returned herewith. I would be grateful if you could inform all those parties with an interest in the Shenington Romp Land.

Yours sincerely

Jeffrey Penfold.

The Secretary of State for Communities and Local
Government hereby confirms the above Order.
