

FANTASTIC HEAD START FOR VILLAGE HALL PROJECT

Donations so far £100,000!

On 17th July, villagers met for the first time to discuss the replacement village hall project. Gordon Freeman and Andrew Baud presented the current scheme and funding opportunities for a new hall and revealed amazing progress with donations already at £100,000 for the project. The Steering Group also revealed support from Cherwell Planning Department following consultation with the department earlier this year.

Proposed New Village Hall - Roadside Elevation

This exciting project is looking for volunteers to help make it happen, so please let us know if you can help or just come along to the first Steering Group meeting on 2nd September at 7:30pm at the George and Dragon.

If villagers would like to donate to the rebuild fund, they can do so by contacting the Chair of the Steering Group, details below. Donations should be made out to "Shutford Village Hall" (registered charity No.304364). Gift aid forms available.
