Dear Villagers, first of all, a **BIG thank you** to everyone who helped and supported this year's festival! Details and photos are inside and how much we raised for the two good causes, St Martin's Church & our new Village Hall.

We have received an enormous amount of positive feedback and praise for this year's festival. We couldn't do this without the fantastic team who work diligently to making the festival the success it is. It is so worthwhile when you see new people helping and making new friends in the village.

An enormous amount of time, effort and physical hard work goes in prior to the event making sure there is produce for the stalls, setting the event up prior to the day, actual time on the day manning stalls and then there is the clear up afterwards, ensuring everything is returned to normal at our beautiful venue. It really has become a terrific village event, creating a lovely community spirit and enjoyed by many from our own village but also now surrounding villages. Keep up the good work. **SAVE THE DATE 17 JUNE 2017!**

Like the photo collage on our front cover? This was done by Colin Hurst who kindly took photos of this year's festival and many of your treasured dogs. If you want an original jpeg, please get in touch email: hurst_colin@hotmail.com. Mobile: 0796 202 9514. To see all the photos just copy this link: <http://smu.gs/2a955Ri> Colin mentioned, 'I'm a keen enthusiast interested in finding projects and assignments with a view to making photography a late career move. Because I'm in full time employment, it's more about the experience of capturing images. This would benefit prospective clients as I'm not in it to make a big profit - yet. If any of my images are of interest I'll happily provide for a nominal fee of £2.50 to people directly associated with that image - dog owner, parent, dancer... I'll remove the copyright for an additional charge of £1.50. What would be fantastic is the idea that someone likes what I've done and would be interested in commissioning a photoshoot - for charity, family, corporate - all options open.'

Shutford Festival 2016 – Chairman’s report

This year the festival was a great success providing a wide variety of entertainment and stalls, many of the stalls reporting record takings.

Numbers through the gates exceeded our expectations and the statistics would indicate the earlier start time was a popular choice. The funds raised were at a record level, £6000 being shared equally by the village hall and the church. (See overleaf for a full breakdown).

Throughout the preparation, on the day and the Sunday morning the support was tremendous and created a real sense of community spirit of which I was proud to be a part of.

As outgoing chair, I would like to take the opportunity to thank everyone from the village for their involvement be it the organisers, the helpers, the stall holders and those that attended on the day. I would say a big thank you to our sponsors and the friends of the festival as your commitment provides a foundation for the financial success. Finally, I would like to thank Rita for her continuing hard work throughout the year in preparing for the day, her enthusiasm is immense and she is already preparing for the 2017 event (17th June).

Not only was the event a financial success it also demonstrated what can be achieved in the community with focussed goals. The first phase of the village hall is financially secured, moving forward it is likely that fund raising events will be required to complete the project, however with the same commitment from the village that was apparent at the festival it should bode well for the future. Thank you all for making the festival a success.

Kind Regards

Outgoing Chair

SHUTFORD WI

At our June meeting, Mike Ledbury told us about the 'Traditional Tunes of the British Isles' and illustrated them by performing them on his melodeon (a type of button accordion). He was accompanied by his wife Pat on her Napoleonic Battle Drum. Mike told us how he had learned to play the melodeon and showed us two different models.

He also illustrated how some original tunes were transformed into others, as for example the Quick March of the 6th Battalion of the Warwick Regiment was used as the inspiration for the well-known 'Waltzing Matilda' by Banjo Patterson.

There was no meeting in July, as a dozen of our members enjoyed an outing by minibus to Woburn Abbey, where they had a pleasant day exploring the house and newly renovated gardens.

Visitors will be made very welcome at any of our forthcoming meetings, held in the Village Hall at 10am.

In August, we will be having a Summer Social and discussing how to celebrate the 30th anniversary of our WI.

Our next speaker, on September 6th, will be Sarah Hodgson, who will be telling us about the "Work of GAGA" (Goodwill And Growth for Africa UK).

For further information on our WI, please contact either
Geraldine on 780579 or Jenny on 780570

Shutford Village Hall Update

It's starting!

Your new village hall is on its way! Things are moving at a pace, because of your support. Our estimated date to start the building structure will be early September.

We now need to appeal for phase 2 fit-out funding. We have support from John Nicholls in Banbury who are supplying materials at cost and lots of fantastic offers of help from villagers for plumbing, electrics, plastering, decoration and tea making. We're applying for lots of grants to help with the costs for phase 2, but if villagers can help fund the next stage, then please contact our secretary Christine at clematis0902@yahoo.co.uk.

We need help to fund costs of kitchens, toilets and other internal finishes and **need to raise about £20,000 for the phase 2 work.**

We also need to find **space for storage** while the project is underway. If you have a spare barn/garage that you can let us use, please make contact with Rita at rita@rlmarketing.co.uk

The Village Hall Committee

Notes of the Parish Council meeting 13 July 2016

Councillors co-opted Andrew McEwan on to the Parish Council to fill the vacancy left by Ashley Taylor.

Your Parish Council

Barbara Reynolds (Clerk)	780479
Lynne Parsons (Chair)	780649
Malcolm Goldie	788538
Athene Duffield	788332
Rose Hancock	780622
John Yeomans	780564
Andrew McEwan	788266
Helen Gibbs	07500937390

With the exception of the two residents who put their names forward for co-option on to the Council, Cllr. George Reynolds, and a Parish Councillor from Epwell there were no members of the public present. This was very disappointing but the democratic process continued and we look forward to welcoming residents to our next meeting.

The next meeting of the Parish Council will be on Wednesday 14 September 2016 at 7.30.

As a result of the meeting the Parish Council agreed to:

- ✓ explore the cost of speed strips to monitor the speed of traffic through the village
- ✓ contact our county councillor to make known our concern about the overgrown verges and hedges making the sight lines at junctions very hazardous
- ✓ discuss the emptying of the recycling bins with the responsible authority regarding broken glass. In the meantime residents should take care when using the bins not to tread on broken glass

The next page contains important information about the bus service. For more information you can contact any councillor or email me at

lynneanda@aol.com

Parish Council News continued

Bus Service

1. Residents will be aware that the withdrawal of the bus service through Shutford on to Banbury is as a result of cuts to the County Council budget.
2. Parish Councillors have been investigating what we can do to enable residents to have some access to transport into, at least, Banbury and home again.
3. Whatever we are able to organise will, unfortunately, come at a cost and we are trying to minimise this as best we can.

In the first instance we are hoping to run a pilot service as follows:

- Each Wednesday starting end of August/beginning of September (date to be confirmed) a 12 seater mini bus will arrive at Jame Corner at 10.00 a.m. travelling to Banbury.
- It will return from Banbury at 1.00 p.m. Pick up place to be agreed with the driver.
- This pilot will run for four Wednesdays and will be paid for by the Parish Council.
- After this period the Parish Council will assess the value of the service to residents and decide next steps.

There is nothing to stop any resident making their own arrangements with the driver of the mini bus for other days. Each journey to and from Banbury is £5 for a return journey taken at times outside the Council's pilot run.

In addition the Parish Council is liaising with a team at Oxfordshire County Council to set up a regular three day a week service from Shutford to Banbury return, possibly working with other villages. This is a little more complicated and will come at a cost.

Please use the village web-site for further details before the next Parish Council meeting or contact any Parish Councillor.

CHURCH NEWS

Rector - Revd Ronald Hawkes - 780555

Church Wardens:

Mr Ken Jeffs – 788308

Mr John Hodgkins - 788609

SERVICES: Most Sundays 9.30am but see Wykeham News & Benefice website for details.

The Christian Aid Door to Door Collection raised £440 including donations. A good result but you can still donate at www.caweek.org.

We had 19 people at the Beetle Drive on 21st May but we are not attracting many families with children. Our regular supporters always have a laugh and enjoy the excellent refreshments provided. We have another scheduled for 15th October most probably in the church.

The Village Festival on 18th June was a great financial and social success. We are grateful to the organising committee and the many villagers who made donations, sponsored the event in various ways and supported the event. There were lots of visitors helping to make the day the best ever financially. St Martin`s Church PCC will use the £3000 received wisely: £1871 will pay our annual insurance premium.

Both the Benefice Council and PCC met in June. Items on the agenda included finance, worship, news from the parishes and working with young people. Our half yearly accounts show an overall surplus of £750 as we are fortunate in having a small loyal and generous congregation and our contribution to diocesan finances has reduced.

Sadly, we cancelled our Messy Church Event scheduled for June but we continue to have family friendly worship in church on the third Sunday of the month. We hope to have a picnic after church on 18th September. The Benefice Youth Group meets on a Thursday Evening during school term in the Sibford Quaker Meeting House with present age group 10 – 14. We have two experienced youth workers, Stasi and Camilla: our benefice churches have agreed funding for this project and we are confident of its success. The Youth Group`s first meeting after the summer school holiday is 7.00pm on 8th September and youngsters from all benefice villagers are welcome to join.

Right Reverend Steven Croft, will be inaugurated as Bishop of Oxford in Christ Church Cathedral on 30th September. There will be 4 Welcome Eucharist`s across the Diocese with one in Dorchester Abbey on 9th October for our archdeaconry. The bishop`s initial focus will be on engagement with children, young people and young adults; on enabling lay discipleship and on engaging with the poorest communities across the Diocese. A copy of a letter received from Bishop Steven is in church: it is important that the church has good leadership and is part of the life of the nation as people seek meaning, values, purpose and hope.

St Martin`s church is open every day and people of all denominations or none are welcome to use it for some quiet time. Better still come to organised worship: we have an average of 10 in church Sunday mornings with 20 at a recent Morning Praise: great hymns, a reading and thought for the day finishing off with refreshments. Join us on 21st August as it will be even more informal as the service will be lay led!

Sue Roe-French will be hosting a Coffee Morning at 12 The Dairyground from 10.30am – noon on 20th August. There will be some delicious cakes, good company and a small raffle. See you there.

The Annual Oxfordshire Historic Churches Trust Ride and Stride takes place on Saturday, 10th September. Anyone wishing to take part this year should contact Ken Jeffs for details. The OHCT gave grants of about £200,000 last year including £5000 to Swalcliffe. As usual St Martin`s church will be open for visitors.

It is good that The Village Hall Project will start in September but church fund raising and other activities will have to be relocated and reorganised during the six month rebuild. The church can be used for regular meetings presently held in the village hall.

To keep in touch with church news, services and events visit www.wykehambenefice.org.uk or the church which is open every day.

St Martin's Church new bell ringer... John Bailey

I was honoured by a request to ring the bells at St Martin's during the marriage service of Jenny Berresford and Kirk Hunter.

Ken Jeffs kindly showed me the ropes at Evensong a couple of weeks before.

There are two bells, one much heavier than the other, and Ken advised the lighter one on the day.

On 11 June, I met Pete, another family friend, at St Martin's Church at 12.55pm. Pete had obviously been given the same advice by Ken as he made a beeline for the lighter bell!

After ringing the heavier bell for five minutes my arms became tired and after ten they became numb. Despite changing over, Pete had the same problem minutes later so we alternated until Jenny arrived at 1.20pm. By contrast Ken made it look as though he was flying a kite! As Mr & Mrs Hunter left the church, we performed again and found our technique had improved.

I tried again at a recent Holy Communion service and suddenly thought when do I stop? Liz Hawkes' big smile was the signal. Going forward I intend to continue, mastering the heavier bell in particular, so if you are listening to the bells on a Sunday morning and the occasional ding dong is missing then you will know who is responsible!

SHUTFORD NATURE HUB

Calling all Wildlife lovers...

Shutford is in one of the most beautiful parts of England and so many of us enjoy the wonders of the wildlife in and around our village.

Often walking around the village people share with neighbour's stories about their local wildlife experiences, be it hedgehogs that have been visiting their garden,

newts they have found in their pond, a Barn Owl spotted flying over local fields or Swifts, House Martins, or House Sparrows nesting under the eaves of their houses.

Well now we have our own village Nature Hub where we can record our nature sightings so all the villagers who are interested can share in the excitement of what is spotted in and around Shutford. We hope this is something that many villagers will enjoy getting involved with be they eight or eighty, and indeed either side of that!

In the beautifully restored telephone box, at Jame Corner, there is now a sightings sheet where we can record what wildlife we have seen, and when and where. This might be an animal, bird, insect, fungi or plant.

There are some talented artists and photographers in the village and we would like to encourage people to share photos and drawings and we will have a pocket file where people can leave these (just remember to say who you are and where you took the photo or did the drawing) and we will hope to print a selection in the Shutford News.

It would be great if the younger members of the village would like to get involved and we would especially enjoy seeing their pictures and drawings.

We are hoping that the gathered material will be used in an illustration showing the network of wildlife living in and around Shutford, and how the various plants and animals depend on each other and on us.

In the telephone box are a selection of nature books which anyone can borrow to take on walks or just for reference but please do return them. Any other donations of relevant books for all ages would be gratefully received.

We hope this might also be the start of developing a wildlife interest group in Shutford, perhaps to meet in the new village hall when it is complete. If anyone would be interested in joining such a group we would love to hear from them, and also if there is interest in a club for junior members.

Meanwhile please get recording and if you are walking past the telephone box do stop by to have a look.

Wedding Bells at Upton: 1940's wedding weekend – 6-7

August 11:00 am – 4:00 pm

It's time to start saving our food rations and make do and mend some fancy clothes! We're preparing for a 1940s Wartime Wedding.

During the Second World War here at Upton, some of the staff of M. Samuel and Co Ltd. were

moved here from London to keep them and the bank operations safe including a chap named Barney Adler. When Barney moved here with his job, he left behind his sweetheart, Joyce, in London. Whilst they lived apart they visited each other and enjoyed going for bicycle rides in the country side around Upton House.

In 1941 they got married here, and settled in a bungalow a mile and a half from Upton. On 6-7 August we will be remembering Upton's Wartime Wedding with a two day wedding re-enactment weekend complete with costumed Bride and Groom!

- The Swinging Bass Band will be providing jazz and swing on the back lawn throughout the afternoon: perfect for picnickers.
- Visit the house and see our award winning wartime exhibition "Banking for Victory"
- Some of our talented volunteers will be cooking on the AGA, preparing for the wedding tea in our historic kitchen.
- We will also be running some games and activities for Children
- Book up for the Wedding Tea Dance, and learn to dance to some vintage tunes as they would have done in 1940s! (Tickets £15 per person, booking in advance essential.)
- And of course: meet the Bride and Groom as they mingle with their guests and even have a taste of their wedding cake!

CELESTIAL FIREWORKS HIGHLIGHT THE SUMMER NIGHT SKIES

After what seemed like a prolonged on/off start to the summer, it feels like things are finally settling down and stargazers can look forward to many clear evenings to come.

The next few weeks are dominated by a run of annual meteor showers as the Earth sweeps through the debris of old comets in our orbit around the Sun.

Around the beginning of August, we should see activity from the Delta Aquarids meteors, emanating from the direction of the constellation Aquarius, and acting as a warm up for the spectacular Perseids, (from the direction of constellation Perseus), which peaks on the 11th/12th of August.

Best time for viewing meteors is after midnight and if you are prepared to allow a good hour or so you should be able to see quite a few spectacular displays. Bear in mind that what you observe will be literally grains of dust, or the occasional small pebble sized object, slamming into the very upper layers of the atmosphere at terrific speeds, vaporising and leaving a spectacular trail - it is estimated that each year several thousand tons of meteorite dust falls to Earth.

Photo: 'Chipping Norton Astronomers set up against a spectacular sunset for an evening's observing at the Rollright Stones'

Of the planets, Jupiter, now being studied by the Juno space probe, is now rapidly fading into the evening twilight but not before it provides us with a spectacular conjunction with the planet Venus on the evening of the 27th August, an excellent photo opportunity.

Tiny, fast moving Mercury will be furthest East of the Sun on 16th August, visible after sunset and furthest West of the Sun around Sept 16th, visible before sunrise. Despite being quite low, Saturn and Mars are both observable in the South /South West sky but the use of a telescope is to be recommended.

The International Space Station always provides a spectacular display with the best times for evening viewing being the 1st 2 weeks of August and the last week of September, a link to its visible passes can be found on the CNAAG web site, www.cnaag.com

Despite the longer days the summer months can prove to be the most rewarding as long as you are prepared to stay up a little later.

Come September and we all notice the days shortening heralding the coming of the fantastic astronomical Autumn night skies.

Details of all of our meetings can be found on the CNAAG website & everyone is welcome to come along.

Shutford Village Neighbourhood Watch - Reminder

Dear Resident

Shutford Neighbourhood Watch was first founded in 1999. The village population has changed with the movement in and out of the village, so it is necessary to update the watch with up to date participants. Below is a letter explaining the scheme and its advantages.

We need to gauge interest from the residents, so I would ask interested parties, both old and new, to email myself stating their interest: n_voice@btinternet.com

Thank you in advance.

Yours Nigel Voce, Tegumai, Ivy Lane, Shutford

Neighbourhood Watch is about looking out for each other, especially the elderly and more vulnerable members of our community. Getting to know who your neighbours are and working together as a group, to help tackle local issues, including anti-social behaviour and criminal damage, which can help to reduce crime.

Some of the advantages of joining a NHW Scheme are:

- Receive **FREE** crime alerts from your local Police.
- Obtain **FREE** crime reduction advice
- Receive monthly updates about local crime and other items of interest
- Marking your own valuables with the postcode & house number/name, using uv pens
- Message in Bottle Scheme is promoted and used through NHW
- **FREE** door chains/bars are available for the vulnerable and elderly through NHW
- Most Insurance Companies will give a discount for residents within a NHW Scheme

Shutford Book Club

The Shutford Book Club meets on the last Monday of each month. Membership is currently full as space to meet is limited, but you can always take part virtually.

The books we are reading are regularly published in the Shutford News and on the village website, so feel free to read them alongside the Book Club. You can volunteer your thoughts via email to Kirsten Parrish or a note in the door of "The Nook" in Church Lane if you'd like to, and we'll share them at the meetings! Forthcoming books are:

August 29th, "A Shepherd's Life" by James Rebanks, hosted by Sue Roe-French

September 26th, "Midnight in the Garden of Good and Evil" by John Berendt, hosted by Marian McClellan

October 31st, "The Man Who Mistook His Wife for a Hat" by Oliver Sachs, hosted by Chris Woodcock
