Shutford Village Easter Egg Decorating Competition 2018

A really enjoyable afternoon with 56 entries across the 8 cat'egg'ories made it hard work for the two judges. For the first time the Concept Egg cat'egg'ory created joint winners in the 11-15yr old, and a 'highly commended' in the 16+ section!

Many thanks go to all the competitors for showing how creative and talented the village is and for showing 56 ways the simple egg can be represented!

A special thank you to Lynne Parsons (Chair of the Parish Council) and Ian Currums ('Chair' of the George and Dragon) for bravely accepting the challenge of being impartial, knowledgeable and generous judges.

A huge thank you to Margaret Holloway and Joan Wright who have been organising the Egg Competition for the past 20 years and stepped down this year. It was great to look back at 20 yrs of 'egg winners' and see so many Shutford family names appearing and reappearing time after time.

Parking... Dear friends and neighbours, just a few words regarding the parking on the High Street. If those people who are fortunate enough to have parking at the rear of their property could find it in their hearts to use it to its potential it would greatly assist those residents who are not lucky enough to have this option.

If you do park on the High Street, please could you park considerately and not leave 3/4 of the length of a car between vehicles. This would allow all those who need to use the space the opportunity to do so. Thank you in anticipation of your neighbourly participation.

Summary of the Parish Council Meeting on 9 May 2018

At this time of year there are two meetings which have to take place. The first one was the Annual Parish Meeting where there is a review of the past year including confirming the accounts. This was attended by the Councillors who were in place up to this date. A separate report has been made by the outgoing Chair.

The Annual Meeting took place at 8.00 pm and started with the signing in of the new Councillors and the election of various positions on the Council.

Position	Councillor responsible	Contact details
Chair	Debbie Pitt	788441
Vice-chair	Helen Nixseaman	788815
Clerk	Barbara Reynolds	780479
Allotment Rep & Assets	Debbie Pitt	788441
Village Hall Rep	Carolyn Rann	788002
Dairy Ground	Sandy Forrester	780534
Defibrillator	Ashley Taylor	788788
Councillor	George Reynolds	780479

At present Councillors email contact is Shutfordpc@gmail.com. We will be having individual Parish Council accounts in due course.

The minutes of the meeting are on the Shutford Village website but below is a summary of what we discussed.

I would first like to thank the previous Parish Councillors for all their hard work over the previous years, especially the Chair, Lynne Parsons. Despite being elected to serve in the new Council, Lynne has decided not to accept her appointment and her experience and guidance will be missed by the Councillors.

Potholes: This is an ongoing issue not only with Shutford but all over the country. The Parish Council don't have a lot of influence over this matter and it is really important that people report any potholes to <https://fixmystreet.oxfordshire.gov.uk/> and/or <https://www2.oxfordshire.gov.uk/cms/content/potholes> as the more people who report the issues the better. I would suggest that you also report the depth and also if there is any danger like the drivers having to avoid the hole.

It is also the beginning of the new Financial Year for the County Council so they might have more funds now than later in the year so a blitz from Shutford might nudge them to do our streets.

Litter pick: We had a good litter pick in March and thanks to those who took part. I know that people do collect litter throughout the year which is much appreciated by all, but it would be good if this is done on a more regular basis. Sandy Forrester is looking into getting some volunteers to do this once a month, but any suggestions are welcome.

Speed check survey: There were 42 responses with 6 in favour for moving the 30mph signs and 36 against, mainly due to cost and lack of evidence that it would make any difference. It was therefore proposed that this idea was dropped but there were two other ideas put forward and Ashley Taylor is looking at one and the Highways are being contacted about the other.

Land behind Weavers Row: Cherwell have said we can lease the land for a quiet nature corner and Carolyn Rann and I will be talking to the residents who back onto this piece of land to explain the idea, and to get their thoughts.

Play equipment: A working party made up of Ashley, Sandy and Carolyn to look into the costs, feasibility of either repairing, updating or replacing the equipment and what grants we can apply for. Do contact them if you have any ideas for what you would like to see on the Dairy Ground.

Allotments: Due to the sad death of Ron Messenger, his plot will be vacant in September. No one wants to see the weeds taking over so various scenarios were discussed and we will report back once we know more.

Finance: The Accounts for 2017/18 were approved subject to final bank statements and an internal audit. New councillors and year end all required forms, signatories etc. but that was all put in place.

The next meeting will be on **11th July at 7.30pm** and we would love to see and hear from people as to how they would like us, as representatives of Shutford, can help with issues within our remit as Councillors. We all have our own ideas of how we would like to carry out our roles and will be bringing these to the meeting in July – so do join us even if it is to have some tea and biscuits!

Debbie Pitt, Chair of Shutford Parish Council

Our Lent Lunch on 26th March raised £260 for Katharine House Hospice from donations: there were 27 people at the lunch. £212 was collected for Helen Hodgkins Trust from the Jars of Change Appeal.

Two Thursday lunches held in February and April, organised by church members, have raised about £200 for St Martin's church.

The church council is grateful to everyone who supports the church's fund raising events and social gatherings.

A group of "church crawlers" visited Shutford on 24th April: they were touring North Oxfordshire looking at the different styles of architecture and the history of the buildings. St Martin's church is a Grade 2 listed building dating back to the 12th century, with rebuilding in 14th and 15th centuries and major restoration in 19th century. There is an information board at the back of the church together with leaflets. We have recently discovered an article in an old Four Shires magazine which is worth a read, as is a document entitled "Matching the building to the Documentary Evidence". The church is open every day.

The churchyard has had an abundance of snowdrops, primroses and cowslips this year. The cherry tree, lilac bushes and rowan tree are in full bloom with meadow plants starting to flower. Some areas of the churchyard grass are left uncut for part of the year. The swallows have returned to the church porch having repaired their old nest.

This year's Christian Aid Week was 13th - 19th May with a door to door collection taking place in the village.

The appeal highlighted the plight of the people of Haiti and others facing the aftermath of natural disasters using the slogan "Together we're stronger than the storms". If the collector was unable to find you in when he called, a donation can be made at caweek.org: the amount collected will be reported shortly.

The General Data Protection Regulation comes into force on 25th May. The PCC of St Martin's church will comply with its obligations under the new regulations and a copy of our Data Privacy Notice will be published in church and can be obtained by contacting KJJ or the PCC secretary. We will be contacting church members and those in the wider community concerning how we communicate with them and will obtain consent for this to continue. Any data we hold is used to give information about church news, events and services, maintain a church electoral roll, publish rotas and to help with our fund-raising initiatives including the processing of gift aid donations.

We will continue to deliver the Wykeham Benefice News giving information of church activities and services. If you wish to comment about any of the issues raised in this publication, our Rector would be pleased to hear from you. Why not write a short article for a future issue: it's good to share views and opinions?

Shutford hosts the Benefice Service at 10.00am on Sunday, 3rd June. A choir will be in attendance and there will be refreshments and time for a chat afterwards. There will be readings, a reflection, and some good hymns and singing: everyone is welcome in church at any time.

We are holding a Messy Church Event in Shutford Village Hall at 4.00pm on Saturday, 16th June. There will be crafts and refreshments and it's free! Although ideal for junior school age children, everyone is welcome and can come along for a cup of tea and join in the fun. Please do not be put off by the word "church" in the title!

Thanks to all who support our village community events and we look forward to a successful Summer Festival: the sun will shine on us!

SHUTFORD WI

Our speaker in April was Frances Freeman who showed us slides of a recent holiday in New Zealand, mainly covering the North Island.

Later in April, two of our members attended a Group Meeting at Cropredy Village Hall to be entertained by Martin Litton, a jazz pianist, after enjoying a buffet supper.

May is the month when we discuss and vote on the resolution to be presented at the Annual Meeting in June. This year's venue is Cardiff and our WI will be represented by a delegate from Hornton WI. The resolution, "Mental Health Matters", concerning improving the recognition of mental health issues and their support, was unanimously approved.

Visitors will be made very welcome at any of our forthcoming meetings, held in Shutford Village Hall on Tuesdays at 10am, when our future speakers will be:

June 5th Rosara Florists - Flower Demonstration

There will be no meeting in July as we will be having our annual outing, which this year is to the Hop Pocket in Malvern.

Shutford Village Hall Gardens...

It's now a year since our lovely new Village Hall opened its doors – and you may have noticed the gardens around it are flourishing too! The initial planting scheme was devised by Ceri Davies, with some invaluable input from Jane King – and thanks to fantastic donations from

many local businesses including the lovely Philip of Quarry Nurseries in Horley, and Christopher from the new Wyatt Garden Centre who donated all the roses, the gardens have had a great start to life. Many villagers also donated their own plants and came out in force on what proved to be an incredibly hot day to get the initial planting complete in time for the official opening.

Since then, many villagers have continued to donate and source additional plants, including the WI which was responsible for the bulb display above the salt bin that brightened up what proved to be a very dreary spring. Members of the Parish Council also sourced plants for the area beneath the War Memorial, and have been dedicated to keeping that area maintained since then.

Of course gardens don't stand still – they need regular maintenance, care and cultivation to keep them in tip top condition. There were also some areas that needed a lot of further work after the first phase of planting, with major rubbish removal, soil improvement and further plant sourcing and planting – much of it on pretty inaccessible slopes!

All this has been down to a group of regular volunteers who give up a bit of time once a month – and often in between - to care for what is now a real asset to our village, and of course to

wildlife.

We meet at 10am on the first Sunday of each month to weed, deadhead, feed and chat, and you would be very welcome to join! Give as much or as little time as you can – all you need is a trowel, a bucket for weeds, and willingness to get stuck in.

If you want to know more, contact Kirsten Parrish at kirsten@kpggardencare.co.uk or 01295 780412 – or just turn up at 10am on the first Sunday of the month, we'd love to see you!

Shutford Book Club

The Shutford Book Club meets on the last Monday of each month in Shutford Village Hall 7:30 pm.

Currently the book club is full, however, you can always take part virtually. The books we are reading are regularly published in the Shutford News and on the village website, so feel free to read them alongside the Book Club. You can volunteer your thoughts via email to Kirsten Parrish or a note in the door of "The Nook" in Church Lane if you'd like to, and we'll share them at the meetings!

Forthcoming books are:

25 June 'The Music Room', by William Fiennes, hosted by Jane Moffatt.

30 July: 'The Prime of Miss Jean Brodie', by Muriel Spark, hosted by Sue Roe-French
