

Shutford's Original Red Phone Box is Back

Shutford's K6 phone box has been saved! After some 15 years of being in storage, the original Shutford phone box returns to the High Street.

Many of you will have seen the restored phone box appear on Jame Corner recently. After nearly 2 years of hard work and with help from Shutford's telephone box restoration team, the rusty dilapidated telephone has been restored to its former glory with a new coat of paint, new glass and telephone signs.

Many thanks to all those residents who helped with the work.
